

First time she  
shot he staggered.

Next time he fell.  
Third time

there was *o Lawdy!*  
a new man's face  
in HELL!

Would you recognize  
the faces there? Telling

one or two  
you're just

passing through?  
Or, indeed--  
and instead--

present against  
your wishes? In yet

another needless  
fuckup!
